I passed certain orders on the Gazette copies. From the recent issue of the Gazette I do not see that they have been attended to.

I am sending a copy of the Travancore Gazette, and the Secretariat Officer who deals with Gazette should put up a note embodying all my previous instructions and a Government Order for the improvement of the Gazette and also for raising subscriptions. I want information in the note regarding the total cost of the Gazette -- both English and Kannada-- the total subscriptions received and also the items which may be excluded from publication in the Gazette in future.

With a view to give immediate effect to the orders of the Dewan regarding re-arrangement of matter in the gazette a draft order was put up and submitted to the Member and Dewan. But the Dewan was pleased to order thereon that this may be included in a Comprehensive order on Improvements to the Mysore Gazette which was being

Considered separately. On the latter Subject a note was submitted and the Dewan passed orders thereon in his Minute dated the 1st August 1922. To submit the draft in a final form I had to consult the Compiler unofficially about details. I discussed the points with the Compiler yesterday. The details of Private Advertisements etc on which information available in the Secty was not quite clear. I have taken notes of his views on the points of doubts. I am attending to the drafting immediately. The Dewan has reminded the Branch on this ~~Second~~ Subject more than once. Every effort is being made to expedite the draft which I hope to be able to submit to-morrow. As pointed out above the delay is unavoidable and not due to want of diligence and may be kindly excused.

Arrangement of matter in parts.

The title pages of the Mysore Gazettes of the British Provinces and the Travancore Gazette are put up for comparison. The Dewan was pleased to order that the present Parts I & II should be re-arranged thus:-

Part I;- Important Government Orders (a list of the orders being given)
This is now Part. II. Official Papers
Part II:- (Present Part I.)

In the titles to Section 1 and 2 there is a repetition re. Notifications etc. It is suggested that the title to Section 1 may be altered to.

"Appointments, Postings, Transfers, Powers, Leave and other Personal Notices."

Such a heading would perhaps describe the contents more accurately. Vide heading of Part I in the Behar and Orissa Gazette. Whether Part II, Section 1 may also include tour-programmes of the Dewan may perhaps be considered.

Section 2 of Part I may remain as at present as the title corresponds to the contents.

Part I.A was newly introduced by Government Order No. G. 8501-70/P&S 44-19-1, dated Camp Mysore 30th September 1919. It relates to notifications relating to Local Self-Government. This arrangement seems to follow the arrangement in the Fort St. George and in the Bombay Government Gazette. It is submitted in this connection that by this arrangement notifications relating

acquisition of lands appear in two Sections those relating to Municipalities and Local Boards under Part I.A., and those relating to other purposes in the present Part I. Section 2. It is a matter for consideration whether all orders re. acquisition of lands being issued by Government may not appear in the same part and only other notifications re to Local Self Government being published under Pa: . . . . Whether Part I.A may not be made section 3 of Part I (which is proposed to be made Part II) may perhaps be considered.

All Land acqn notifns should appear in one Part I

~~The Proc... Part V may perhaps be styled "Statistical" following the hea...g of the Punjab Gazette.~~

Finances of the Gazette.

7(a)

The annexed statement A gives the present income and expenditure on the English and Kannada Editions of the Gazette ~~and the receipts~~. It will be seen therefrom that the receipts in 1920-21 were Rs. 10,078-8-0 as against an expenditure of Rs. 32,974-9-3. The receipts from sale of copies ~~having~~ were only Rs. 2,060-8-0.

c. under receipts

The Finance Committee recommended reduction of certain items of matter in the Gazette. Statement B. annexed to this note shows the several items proposed and the reduction of expenditure possible thereby amounts to Rs. 6,137-0-0 The papers relating to these suggestions with the opinions of the Branches concerned are also put up herewith for orders.

7(a), I

This matter was discussed before the meeting with Hon'ble J

Another point that may be considered in this connection is whether as a means of improving revenue, Govt may be advised to publicate by

## Rates of subscriptions.

The present rates are given in Appendix C to this note, Government Order No. G. 8301-70/P&S 44-19-1, dated 30th September 1919 etc. Concessional rates have been sanctioned in the following cases under the sanctions noted against each item -

1. Members of the Representative Assembly are during their term of office - entitled to receive the Gazette at half price (Vide G.O. No. 2633-41/ Mis. 558, dated 21-8-1900.)

2. Sanbhogs, Patels and Nad Patels are supplied with Gazette English and Kannada at half the usual rate (G.O. No. G. 622-32/G.M. 74-10-36, dated 27-7-1911.)

3. The same concession is granted to Shekdars also (G.4914-23/G.M. 46-11-36, dated 18th March 1912.)

The present rates of subscriptions are only Rs. 8/- per annum whether for the English or the Kannada Edition. This rate was fixed in 1918. Whether the rates may be still further increased may also be considered in consultation with the Superintendent, Government Press.

Accompanying statement D shows the correspondence between the English and Kannada editions by parts. The Kannada Gazette brings in only a paltry sum of Rs. 415-8-0 per annum. It may perhaps be considered whether the matter now printed in the Kannada Gazette may not be reduced. On this point the Dewan was pleased to order that only Kannad abstracts of important orders be printed. Similarly whether Part V re. the statistics need be printed in the Kannada edition also is a matter for consideration.

The title page may perhaps be revised as shewn on the reverse.

C O N T E N T S: ~~A revised draft title page is put up for consideration.~~

Part I. Important Government Orders.

(Enter lists of such orders arranged by departments as in the Monthly Proceedings Volume. The headings of the orders being furnished by the Secretariat along with the orders.)

Part II:- Section i. Appointments, Postings transfers, Powers, Leave and other personal notices.

Section ii. Notifications by Government.

Part III to VI:- As at present.

The question of improving the Mysore Gazette has been under my consideration for some time. It is now necessary to pass clear and definite orders with a view to make the Gazette a more interesting publication by a suitable re-arrangement of the matter, and also to improve the financial position of the Gazette which now costs the State a net amount of over Rs.23,000.

I generally agree to the suggestions made in the note of the Revenue Secretary, subject to the marginal remarks of the Chief Secretary. A draft order should now be put up for the approval or other suggestions of the Member as regards the re-arrangement and also directing the subscription to be raised to Rs.10 per annum. The question of having a separate Kannada Edition may also be considered. In Travancore there is a Vernacular Abstract of all important orders published in English. I don't see why such an arrangement cannot be introduced here. The supply of Gazettes at half the usual rate to Village Officers may be discontinued. In no part of British India are Village Officers or Inspectors supplied with the Gazette. This means additional cost and also serves no useful purpose. The Kannada Edition itself costs nearly Rs.11,000. Under Private Advertisements, we may accept advertisements up to a certain limit of page and sell space at certain reasonable rates. This may also bring in some revenue. I now see that under Private Advertisements only Notifications of Courts and those issued by the Bank of Mysore are admitted. It is necessary now to bring the matter to a stage of final disposal and I hope there will be no further delay in issuing the revised Government Order.

Order No. G. 1310.70/MS-37-22-1 / 22 & 1922

The question of effecting improvements in the Mysore Gazette with a view to rendering it a more interesting publication and of reducing the expenditure incurred on it has been engaging the attention of Government for sometime past. In Govt. Order No. G. 320-61/G.M. 174-07-4 dated the 24th January 1908, Govt. had directed that important orders of general interest should be published in the Gazette. In Govt. Order No. 10715-65/G.M. 114-15-3, dated 31st January 1916 a ~~special~~ part of the Gazette ~~had been~~ was ordered to be set apart for the publication of all important orders of Govt. But systematic attention has been paid ~~in~~ to this ~~respect~~ matter only since 1919. In ~~Govt.~~ their Order No. G. 26274-82/G.M. 193-18-3, dated the 22nd May 1919 Govt. issued further instructions re. the prompt publication of all such orders in the Gazette and also about the prompt translation and publication of the orders in the Kannada Section of the Gazette

On further consideration Govt. are of opinion that the arrangement of matter in the Gazette requires revision in view of the practice now strictly followed of publishing all important orders of public interest in the Gazette. The several parts of the Gazette will therefore be re-arranged as indicated hereunder:-

Part I. Important Government Orders.

(Enter lists of such orders arranged

by Departments as in the Monthly Proceedings Volume, the headings of the orders being furnished by the Secretariat along with the Orders.)

Part II:- Section i. Appointments, Postings, transfers, Powers, Leave and other personal notices.

Section ii. Notifications by Government.

Part II.A:- Notifications relating to Local Self Government

Part III to VI. as at present.

At present, notifications of Govt. relating to acquisition of lands for Local Bodies appear in Part I.A., while other notices of land acquisition appear under Government Notifications Section ii of the present Part I. Government are pleased to direct that in future all notifications relating to acquisition of lands be published in the same part viz., the revised Part II, Section II

The expenditure on the publication of the Gazette is far in excess of the income from subscriptions, advertisements etc., In 1920-21 the receipts and expenditure were as shown below:-

Receipts (1920-21)

| | Rs. | A. | P. |
|---|---|---|---|
| Subscriptions. English Edition. | 1,645 | 0 | 0 |
| Kannada Edition. | 415 | 8 | 0 |
| Advertisement charges. | 8,018 | 0 | 0 |
| | 10,078 | 8 | 0 |

Expenditure.

| | | | |
|---|---|---|---|
| Cost of English Edition etc. | 21,983 | 11 | 6 |
| Kannada Edition. | 10,990 | 13 | 4 |
| | 32,974 | 8 | 10 |

The rates of subscription have to be

increased as a consequence of the increased cost of printing and stationery, Govt. are therefore pleased to direct that the rates of subscription to the Mysore Gazette be revised as shown hereunder:-

| Parts as Revised. | Rates as revised. Rs. | A | P. |
|---|---|---|---|
| I | 1 | 8 | 0 |
| II | 1 | 8 | 0 |
| II-A | 0 | 12 | 0 |
| III | 1 | 8 | 0 |
| IV | 2 | 4 | 0 |
| V | 1 | 8 | 0 |
| ~~VI~~ | 3 | 0 | 0 |
| All the parts together. | 12 | 0 | 0 |

The rates for single copies will continue as at present. The rates of postage will also be ~~increased cent per cent~~ doubled so as to be in keeping with the revised rates of postage introduced by the Postal Department.

The rates for publication of private notices and ~~dx~~ advertisements will also be revised as indicated below:-

| | 1st Insertion. Rs. | A. | 2nd and subsequent insertions. Rs. | A. |
|---|---|---|---|---|
| Notices by Civil Courts of Applications for Certificates under Regulation, VII of 1901. | 5 | 0 | 2 | 8 |
| Notices by Civil Courts of Insolvency Applications under Section 12 of the Insolvency Regulation, VI of 1911. | 10 | 0 | 5 | 0 |
| Notices issued by Revenue Officers for the grant of duplicate coffee pattas etc. per page. | 10 | | 5 | |
| Notices by private parties:-1st insertion, As.8, 2nd insertion, As. 6, and 3rd and subsequent insertions, As. 4, per line. | | | | |

Rule

All private advertisements may continue to be published at the prevailing rates, the matter sought to be published being passed by the Superintendent himself so as to avoid the publication of defamatory and other objection-

-able

notices. Till now no Kannada advertisements ~~were being published~~. Govt. are pleased to direct that Kannada advertisements may be ~~also published~~ accepted in future.

Copies of the Gazette are at present supplied at half the scheduled rates to Patels, Shanbhogues and Shekdars ~~and Representative Assembly Members~~. Govt. do not see any reasonable ground for continuing this concession ~~except in the case of the R.A. members~~ as ~~copies of~~ all important ~~departmental~~ orders and circulars ~~etc.~~, with which they are concerned will be communicated to them departmentally. The concession of supply copies of the Gazette to members has also ~~been~~ already the scheduled rates will now be continued.

The publication of the Kannada Edition of the Gazette separately from the English Edition was introduced as long ago as 1873 under the authority of the Chief Commissioner's letter No. 39-8, dated the 2nd April 1873 to the Compiler, Mysore Gazette. The Kannada Gazette was since considerably improved. Government observe that the income from the Kannada Edition of the Gazette has been very small as compared with the cost of its publication.

In spite of the concessional rates allowed to Members of the Representative Assembly and also to Patels, Shanbhogues and Shekdars, the total number of subscribers to the Kannada Edition of the Gazette in 1920-21 was only 109. Govt. trust that with the prompt translation and publication of all orders into Kannada and with the publication of advertisements also in Kannada as now authorised the financial position of the Kannada Gazette will improve.

The question of reducing the statistical and other matter now published in the Gazette

and of reducing the free supply is engagi
attention separately.

Sir

With reference to para 8 of G.O. No.1310-70/P.&.S. 37-22-1 dated 22nd August 1922, directing that all private advertisements may continue to be published at the existing rates, I have the honor to state that advertisements are a very good source of revenue to Government, as many people are anxious to avail themselves of the pages of the Gazette for

their advertisement. I therefore think that if the rates are doubled as in the case of the subscription, the receipts will increase considerably and the loss now incurred on the production of the Gazette will be met.

I therefore request that orders may be passed doubling the rates of advertisements also.

I have the honor to be,

Sir,

Your most obedient servant,

Sir,

With reference to your No. E. 1844/P.&S. 37-22-3, dated 6th September 1922, I have the honor to state that the income by the publication of private advertisements in the Mysore Gazette was Rs.606/- during 1921-22.

This amount represents the revenue derived from the publication of the English gazette only. As orders have since been issued to publish private advertisements in the Kannada gazette also, the income is likely to be doubled in the current year as Kannada advertisements are larger in number.

A comparative statement of advertising charges in important local papers will be submitted as soon as replies are received from the respective managers.

I have the honor to be,
